If either of the above occur then a refund will be issued back to you by the school using the method used to pay.

How to Pay

Payment should be made via the relevant service on parent pay: "**Exam Services Year ?? 2016-2017**". If this does not work it might be because the students have been taken off roll which will happen at the beginning of

September. If so then please transfer directly to school using the following details, **putting your child's name followed by the word 'exam'** in the reference:

Account Name: Blenheim High School

Cheques can be accepted but only once the school is open to receive them.

Your Post Results Request and candidate consent

Information for candidates from JCQ: The following information explains what may happen following an enquiry about a result and any subsequent appeal.

If your school or college makes an enquiry about a result, (a review of the original marking) and a subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the enquiry about results, you must sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the enquiry about results being made.

I give my consent to the head of my examination centre to make an enquiry about the result of the examination(s) listed above. In giving consent I understand that the final subject grade awarded to me following an enquiry about the result and any subsequent appeal may be lower than, higher than, or the same as the grade which was originally awarded for this subject.
