SPORTS DAY 2021

Sports Day 2021 was held at the Harrier Centre in Epsom on Monday the 5th July. The students were looking forward to competing and winning points for their house. Over the past couple of weeks, competitors have been signing up to events and attending extra-curricular PE clubs to hone their skills. The day is comprised of mainly track and field events, this year saw the inaugural tug of war competition.

Throughout the day, the students were positive and excited about taking part in the different events. We had a record number of students participating with 160 winner medals being presented. The table below shows the final score for all year groups, as you can see the day was tightly contested. Every point mattered so all the students that took part contributed.
